Ideas from the article:

We know that there are historical monuments which should be preserved for the enjoyment of all.

We would like to encourage everyone to have their viewpoints heard and respected by all.

We wish to prevent the risk that a country's government will attack its own people.

We have worries that instability and violence in one country will spread to more countries in the region.

We wish to encourage countries to be more democratic giving each person the right to vote for their leaders.

We have many historical links because most middle east countries were at one time ruled by western European countries.

We wish to reduce the risk of damage to trade in important resources like oil.

There are many people from these countries now living in the UK and they are very worried about the dangerous situation in their home countries.
